

## ANNOUNCEMENTS

## ISTH News and Updates: Join the ISTH Today

Join the ISTH or renew to become part of an influential network of 7,000 medical professionals in the fields of thrombosis and hemostasis. Don't miss this opportunity to obtain access to a variety of benefits that will advance your career and increase your knowledge.

For 2020, the ISTH has added new, discounted early career membership types. See below for more details.

**Join the ISTH to deepen and broaden your expertise.** Membership benefits include an international network that spans 100 countries, priority registration and meeting discounts, **complimentary subscription to JTH**, e-learning opportunities through the ISTH Academy, access to the ISTH members-only online resources, eligibility to hold elected and/or appointed offices, career center and much more. Categories of membership are:

Premier	\$160/year
Associate	\$80/year
Allied Health Professional	\$35/year
Nurse	\$35/year
Reach-the-World	\$35/year
Medical Resident/Post Doc	\$35/year
Student	Free

To become a member, please visit [isth.org](http://isth.org). You may also contact ISTH Membership at [membership@isth.org](mailto:membership@isth.org) or +1 919 929 3807.

### APPLY NOW TO SERVE AS AN SSC CO-CHAIR

The Scientific and Standardization Committee (SSC) invites applications from June 1 – July 31, 2020. Applicants must hold current ISTH membership and actively contribute to the work of the SSC subcommittee. Application is not a guarantee of selection; a limited number of positions are available. Apply at [isth.org/ssc](http://isth.org/ssc).

### ISTH AND ITAC-CME LAUNCH NEW EDUCATION MODULES - MOVING THE NEEDLE: CANCER-ASSOCIATED THROMBOSIS

The ISTH and the International Initiative on Thrombosis and Cancer (ITAC-CME) announce the launch of new educational modules - Moving the Needle: Cancer Associated Thrombosis. The series includes three distinct modules addressing: Primary Prophylaxis (Module 1), Non-CRT VTE (Module 2) and CRT VTE (Module 3).

Join Dominique Farge-Bancel, M.D., Jean M. Connors, M.D., and James Douketis, M.D., as they provide education to hematologists and oncologists to support guideline-recommended care of patients with cancer, specifically related to appropriate VTE prophylaxis and patient-centered, individualized VTE treatment. Get started at [academy.isth.org](http://academy.isth.org)

### REGISTER FOR THE ISTH 2021 CONGRESS

Join thousands of thrombosis and hemostasis medical professionals from around the world who plan to participate in the ISTH 2021 Virtual Congress from July 17-21.

Be a part of the global conversation with leading experts in thrombosis, hemostasis and related specialties.

Visit [isth2021.org](http://isth2021.org) to get started. Don't miss this opportunity to be a part of this important exchange of science and education with the relevant theme: Science Conquering Disease.

### REVIEW THE ISTH COVID-19 RESOURCE PAGE, INCLUDING THE LATEST ON VITT

The ISTH is constantly updating COVID-19 resources at [isth.org/covid19](http://isth.org/covid19). Visit today to learn the latest research related to COVID-19, including guidance for Vaccine-induced Immune Thrombotic Thrombocytopenia (VITT).

The COVID-19 page will continue to be frequently updated. If you have recommendations for resources to include or have general questions, please contact us at [education@isth.org](mailto:education@isth.org).

## GENE THERAPY IN HEMOPHILIA INITIATIVE OFFERS THE LATEST ANALYSIS AND RESOURCES IN MULTIPLE LANGUAGES

Visit [genetherapy.isth.org](http://genetherapy.isth.org) to see the latest news and resources regarding gene therapy in hemophilia. The ISTH has gathered the world's leading experts and news all in one place, in multiple languages for your convenience. Take advantage of free webinars, podcasts and analysis from recent conferences.

## LOOKING TO ENGAGE WITH COLLEAGUES IN RESEARCH? VISIT THE ISTH REDCAP PAGE

REDCap is a mature, secure web application for building and managing online surveys and databases. The ISTH installation of REDCap supports the ongoing efforts of ISTH Member projects and the Scientific and Standardization Committee Subcommittees' projects.

The ISTH REDCap platform can be accessed at [redcap.isth.org](http://redcap.isth.org). Members that wish to use the REDCap installation should contact [education@isth.org](mailto:education@isth.org).

## PARTICIPATE IN FREE LIVE WEBINARS FROM THE ISTH ACADEMY

The ISTH hosts a series of webinars on practical thrombosis and hemostasis issues that scientists and physicians frequently confront. Visit [isth.org/webinars](http://isth.org/webinars) to register for an upcoming webinar.

Archived webinars are also available at [academy.isth.org](http://academy.isth.org)

## APPLY TO HOST AN ISTH-SPONSORED EDUCATION COURSE OR SYMPOSIUM

The ISTH works with national societies as well as established experts around the world to offer educational courses customized to the scientific/medical needs, cultures and learning styles of target participants.

These efforts are focused primarily on developing countries (countries classified by the World Bank as low-income, lower-middle-income, or upper-middle-income). However, the ISTH also organizes and/or sponsors educational courses in industrialized countries. Support includes:

- Offering guidance on program development
- Engaging key international speakers for proposed courses
- Covering expenses that would not be covered otherwise, such as speakers' airfare and accommodation
- Promoting courses

Have you identified a clear need for an educational course? Apply at [isth.org/EducationCourses](http://isth.org/EducationCourses)

## JTH AND RPTH JOIN TOGETHER IN NEW, CONVENIENT MOBILE APP

The JTH and Research and Practice in Thrombosis and Haemostasis (RPTH) have joined together for a new mobile app that features articles from both ISTH publications for convenient, on-the-go access. Enjoy an entirely new browsing and reading experience, as the app keeps you up-to-date with the most important developments in thrombosis and hemostasis science, wherever you are, whenever you want.

Experience these new features:

- For the first time ever, access RPTH in app format
- Convenient access to articles anywhere, anytime
- New article alerts
- Immediate access to new content
- Download issues to read offline or share
- Select keywords for tailored content alerts
- ISTH content and announcements

Download the ISTH Journals App on your device. Visit [isth.org/jthapp](http://isth.org/jthapp). © 2021 International Society on Thrombosis and Haemostasis
